| Vision Statement

Our vision is to be the leading mosque in the United States in providing Islamic guidance and services to the community.

| Mission Statement

The Mosque Foundation serves the spiritual, religious, and communal needs of area Muslims by means of nurturing their faith, upholding their values, and fostering the wellbeing of the community around us through worship, charity, education, outreach, and civic engagement.

Executive Summary

Assalamu Alaikum,

We would like to thank you greatly for your continuous involvement and generous support of your second home: the Mosque Foundation. The year 2010 was a remarkable year when we enjoyed the blessing of larger facilities after expansion and more programs and activities.

As one of the most prominent mosques in Illinois, the Mosque Foundation had established itself as a forerunner of progress and development in the American Muslim landscape, consistently focusing on innovation and improvement. It continues to radiate its services to all, addressing the spiritual, religious, and communal needs of its constituents, and it has proven itself as an indisputable and indispensable advocate for Islam in America.

The essence of the Mosque Foundation lies in its religious services—the core that allows it to flourish and develop. One consistently witnesses the parking lots overflowing with cars, and the rows upon rows of worshippers prostrating to their Lord daily.

By attempting to address every facet of an American Muslim's life, the Mosque also takes a proactive, comprehensive approach to community service. Serving as the hub for numerous forms of outreach, the Mosque has initiated programs through the Community Center, a sanctuary for many children to play sports, gain spiritual and emotional support, and the Community Food Pantry, where lines of people, regardless of creed, congregate every Monday, awaiting sustenance.

The Mosque Foundation has garnered local and national attention for its civic involvement and activism on multiple levels. It has initiated and led endeavors toward the realization of tangible goals in the arenas of politics, the environment, and social justice. It plays a pivotal role in encouraging community members to exercise their civic duty as American citizens by voting and taking a dynamic role in the political process.

Please examine the details of the report that follows, and witness the fruits of your active participation and financial support. We owe our financial health and stability to you, our members and generous supporters. Finally, we pray to Allah (swt) to reward you for your trust in our leadership and for making the Mosque Foundation your second home.

Wassalamu Alaikum.

Hussein Ata
President & Chairman

Sh. Jamal Said
Imam & Director

The Mosque Foundation provides a welcoming, spiritual environment where both men and women pray with peace of mind and a sense of belonging. In its sacred space, thousands of people learn the morals and ethics of Islam, the needy come to a tangible refuge, and the troubled find personal help.

Religious Services

The essence of the Mosque Foundation lies in its religious services—the core that allows it to flourish and develop. One might witness the parking lots overflowing with cars, as nearly 750 worshippers attend daily prayers, and 3,500 attend the two jumu'a congregational prayers.

Ramadan 2010 was a beautiful month for the community; we held nightly Taraweeh prayers, donated to different organizations each night, facilitated nightly youth programs, and enjoyed the spirit of praying Qiyam and Lailatul-Qadr.

The Eid al-Fitr Prayer at Toyota Park was attended by 15,000. An interfaith press conference was held after the prayer service where more than 30 community faith leaders came together to address the media in support of the Muslim community and to stand united against hatred. The Mosque Foundation held two Eid al-Adha prayer services in the Mosque, which was well attended. The mosque expansion project allowed the women to pray in their own space in the mosque rather than at nearby schools.

Educational Programs

Building a stable foundation for generations to come has been integral to the Mosque's mission. Through consistent educational programs, including study circles on various subjects for men and women, of different age groups, in Arabic, English and Spanish, the Mosque continues to cultivate Muslims well-versed in their faith. Below are some highlights of these programs:

- Approximately 950 men and 525 women attend weekly educational programs.
- Nearly 250 men and women attend the Monthly Meeting Programs on topics ranging from Islamic Financing to the rise of drug use among the youth.
- More than 700 students attend Al-Siddiq weekend school.
- Various knowledge and Quran competitions held at the Community Center.
- The Mosque Foundation tackled the subject of Islamic Financing in January 2010 with special guest speaker Amjad Quadri, Vice President of New Markets and Business Developments with University Islamic Financial.
- The Monthly English Program started off 2010 by educating parents about the growing problem of drug use among the youth. Representatives of the Arab American Police Association presented a startling view into the causes of drug use, who is vulnerable, signs to look for, and the many types of drugs easily accessible to youth.
- Special guest Zubair Tajuddin led a seminar for a packed audience in July 2010 about the importance of making a will, entitled "The Will in Shari'a and in American Law."
- Sh. Kifah Mustapha completed his Thursday evening series of the "99 Names of Allah" in November 2010. The series examined each of the 99 attributes in depth each week, and took two and a half years to complete. Followed was another series that took 10 weeks to complete as an introductory course on the science of the Quran, Sunnah and Hadith as well as the basics of Fiqh and Fiqh mazaheb.
- Sh. Jamal Said and Sh. Kifah Mustapha gave the annual Hajj workshop, in Arabic and English, for three consecutive weeks before the hujjaj departed.
- The Mosque Foundation Community Center held its first FAFSA (Free Application for Federal Student Aid) Workshop in February 2010 to educate students and their parents about grants and financial aid available to qualified college students.

Charitable and Zakat Programs

The Mosque Foundation consistently and reliably extends assistance to those in need. The Mosque serves as a collector and distributor of Zakat funds, and in 2010, 1,493 families received financial support from these funds.

Also, a daily team effort contributed to provide nightly iftars for needy Muslims in Chicago's inner-city. In the first half of Ramadan, the iftars fed up to 350 daily, and in the second half, when they began serving refugee families, 700 people enjoyed the donated food each day. Also, the Mosque Foundation Community Food Pantry is still going strong, serving between 200-300 needy families per week with supplemental food supplies. The Food Pantry celebrated its five year anniversary of service to the community in March 2010. Following Eid ul-Adha, thousands of Muslims and non-Muslims benefited from the udhiya meat distributed by the Mosque.

Outreach

In an effort to remain connected to a broad base of community members, and to keep the members updated and informed, the Mosque continues to:

- Publish the Community Pulse—a comprehensive, bilingual publication with an annual circulation of 85,000 copies, with 38,000 direct-mailed in 2010. Also, a new section was introduced in April 2010 called, “In Our Own Words: Reflections of Youth” to showcase the talent of our local youth, where middle school & high school students can submit their articles, poems, artwork or photography to be printed in the newsletter and posted to our website.
- Maintain a state-of-the-art website www.mosquefoundation.org
- Organize visitor orientations for hundreds of students, church-goers, reporters, dignitaries and politicians (12 groups of 15 or more people each and 54 individuals served in 2010).
- Cultivate a media outreach program through press releases and press conferences as needed, and meetings with reporters and editorial boards.
- Update our community on pivotal events through mail, email, text messages and robot-call.

Various other events took place over the course of the year such as:

- Mosque Foundation Annual Family Picnic held in June at Swallow Cliff Woods. Scores of families enjoyed good food and entertainment, which included face painting, pony rides, jumpers and slides, as well as a boys 3-on-3 Basketball Tournament.
- Approximately 1,970 Muslim women and children enjoyed the annual trip to Deep River Water Park in Indiana organized by Al-Siddiq Weekend School.

- Many of the Mosque Foundation staff and Board of Directors attended a three-day seminar hosted by the FBI in March 2010. The CREST program is a shorter version of the Citizen's Academy, which gives business & media executives, religious, civic & community leaders a chance to get an inside look at the FBI. At the end of the training, participants received graduation certificates from Chicago Special Agent in Charge, Robert Grant.
- Our Imams delivered numerous lectures and presentations at different institutions and universities, including DePaul, Loyola, UIC and many others.
- Continuous participation at Department of Homeland Security roundtable meetings held quarterly.

Summer Qur'an School

Mosque Foundation Summer Qur'an School enrolled 138 students in the summer of 2010. The theme was 2010. Along with moral development, the students increase their attachment to the Qur'an by reading, memorizing and understanding each individual verse. Along with a rigorous education program, the summer camp offers its students a variety of field trips, outdoor activities, and islamically themed projects. The six-week program is offered for the low fee of \$150, as all teachers and staff members are volunteers. The Summer Qur'an School's main goal is to strengthen the relationship between the students and their parents, the mosque and the community.

■ | The Mosque Foundation's Food Pantry Report of 2010

We are approaching the 6th anniversary of the Mosque Foundation Food Pantry. We continue to serve the community weekly, Mondays from 10 am-1 pm. During 2010, we have served more than 10,000 families, both Muslims and non-Muslims. Our pantry has no geographical boundaries; we even serve Iraqi refugees living in Rogers Park and the suburbs of West Chicago. Each Monday morning, produce is picked up from the Chicago Food Depository to distribute to families we serve.

The Greater Chicago Food Depository remains our primary source of food. We are recipients of USDA food products, which are provided at no cost to qualifying members. We also enjoy support from the community at large, both Muslim and non-Muslim, in various forms. The Food Pantry has approximately 25 volunteers who are dedicated to the smooth and efficient operation of the organization, from the unloading and loading of the trucks, to the maintenance of the flow of food on Mondays, to the preparation of the individual bags of food every Sunday. We also support young students who perform their community service hours at our establishment, offering them a Muslim outlet to contribute their time. The Mosque Foundation Food Pantry also became a part of a network of faith-based pantries across the south suburban area of Chicago.

Women's Role at the Mosque Foundation 2010 Report

The Mosque Foundation flourishes through the work implemented day in and day out by committed volunteers and employees. Women play a major role in leading and assisting with different events throughout the year to save time and money, and most importantly, to give dawah and build close relationships with the worshippers. One example is a group of women who consistently visit the sick or families of deceased community members to show their support and give their condolences on behalf of the Mosque Foundation. Also, the women take part in volunteering for events of the Mosque Foundation and the neighboring Muslim organizations.

Main Events and Programs include:

- Friday prayer sandwich preparation and sales
- Ramadan (Taraweeh)
- Salat Al-Eid
- Monthly Programs (Arabic & English)
- Trainings & Workshops
- Annual Fundraising Dinner

Sisters also have a comprehensive program of lectures and halaqas that appeal to a diverse group of women of various ethnicities:

- Fiqh Class 1 hour before Jummah Prayer
- Friday Evening Lecture at 7:00pm in Arabic
- Friday Halaqa after Isha for girls 16- 30 years old in English
- Sunday Lecture at 11:00am in English
- Sunday Lecture at 12:00pm in Spanish
- Wednesday Lecture at 10:00am in Urdu
- Tuesday Tajweed Class at 10:00am
- Tuesday Lecture at 12:00pm in Arabic
- Wednesday Lecture at 5:00pm in Arabic
- The First Saturday of every month, "Meet Your Imam," event for teenage girls with Sr. Um Baraa

The sisters' contributions are vital to the efficiency and success of the Mosque Foundation. They work tirelessly and constantly perfect their work, seeking nothing but the pleasure from their Lord. May Allah (SWT) reward them for their donated time, money and energy.
